# A nominee requires two Sponsors, from current Office Bearers of a sitting Community Council. The two Sponsors of a name do not have to be from the Nominee's own Community Council, nor from the same Community Council. As an Office Bearer, then, you can put forward nominees for the listed open positions from other Community Councils as well as your own. # At the AGM, a Community Council has one recorded vote per nomination for each of the Office Bearer posts, along with one vote per name put forward for appointment to the Advisor Panel. The voting sequence will run from Chair downwards. # A Community Council will have eligibility for no more than one of its own members in post on the Members' Board, by way of election. The facility of the Members' Board thereafter to co-opt further assistance will override that bar.

Please return the completed nomination form by 18.00, Friday 22 November, to Ken Robertson at: [Secretary@edinburghcommunitycouncils.org.uk](mailto:Secretary@edinburghcommunitycouncils.org.uk) (Call on 078 1615 2994 with any queries.)
